Activity Report of Alumni Interaction Program

Objective of the Program:

1. To understand and learn industrial need .
2. To make participants understand the industrial environment and prepare for the same.
3. To make aware about the technological development in current scenario.

The E&TC department has organized a Alumni interaction program on “**Technological development and need of Industry in current scenario**” for students of second year. This program was organized under the banner of T&P cell of E&TC, Spring Lecture series of department and ETSA. This event has created interest in participants and made them aware of their prospects as well as industry need in current situation. The event was concluded with grand success.

As per the tradition the program started with remembrance of Goddess Saraswati. HoD Dr. Y. S. Angal welcomed Ms Ashwini Nale, the entire faculty and the students. In his speech Dr. Angal elaborated about the objective of the program. He has given the brief overview of the activities that are carried out in the department.

The event was successfully conducted as per following schedule,

Day	Time	Name and Designation of Alumni speaker	Topic
Day-Tuesday (22/02/2020)	12.00 pm to 2.00pm	Ms. Ashwini Nale, Senior Data Analytics, Accenture Technologies Pune	Technological development in industries and today's need of industries.

Ms. Ashwini Nale alumni guest (batch 2017-18) and speaker then shared her experience in working in an industry and she talked about the various challenges that she has to deal with on daily basis and she also explained how she is tackling those challenges. She updated the students about what exactly the industry is expecting from candidate while recruiting. She motivated the students towards the overall development and discipline that is required to become successful in life. In her talk she emphasized on time management and how academics are playing role in grooming the students. Thus, she shared a good knowledge with participants and made them aware about it.

The session was very interactive and students actively taken participation in it. Ms Nikita mane interacted by asking her doubts to the guest.

Principal Dr. T.K. Nagraj congratulated Ms Ashwini and expressed the gratitude for this session. He also congratulated HoD and organizers of the program.

Dr. Angal appreciated and congratulated the organizers for conducting such wonderful, knowledge sharing program.

Mr. Gaurav Thakur student of SE class extended the vote of thanks to the speaker, Principal sir and the department for organizing the program.

The program has been concluded sharp at 2.00pm and the objective of the program has been achieved and is validated through feedback of participants at the time of valedictory function.
