In Association with
Electronics & Telecommunication Students' Association (ETSA) & IETE Student Forum (ISF)

TOPIC :-
Carrier Opportunities After Engineering

Timings:-
8.30 AM - BE(E&TC)
9.30 AM - TE(E&TC)
10.45 AM - SE(E&TC)

Speaker Name :-
Shri. Shankar Jarasandh Wadne

Venue :- Class room no.203, D2 Building

The session started with different opportunities students have after the completion of their

graduation like jobs in core field, IT sector, Telecommunication sector, VLSI etc. or pursuing higher education like MS, GATE, MBA etc. The speaker emphasized on the topic of GATE and career opportunities after it. He explained the students that the GATE examination is held twice in a year and the score is valid for three years. Further he had given the performance analysis of the score for the different branches and explained how to prepare for the same. Further he stated that that 75% of the questions based on concepts are repeated. He also explained that some of the Foreign universities are also excepting GATE score for further education with stipend. He had also given the value of the stipend one can get for his further education or for doing projects after pursuing

GATE and lastly he concluded with the job opportunities in different sectors like Private, PSU, IES. Prof. N. A. Mohota concluded with vote of thanks.
