Vision

"To satisfy the aspirations of youth force, who Wants to lead nation towards prosperity through techno-economic development."

Mission

"To provide, nurture and maintain an environment of high academic excellence, research and entrepreneurship For all aspiring students, which will prepare them to face global challenges maintaining high ethical and moral standards."

About the Institute

The **Jayawant Shikshan Prasarak Mandal (JSPM)** is a charitable educational trust, a pioneer in imparting quality technical education in the field of Engineering, Pharmacy, Management, School Education, Ph.D etc. JSPM has established five campuses in Pune at Tathawade, Hadapsar, Wagholi, Bhavdhan & Narhe. Each campus consists institutes of global competitiveness. JSPM starts JSPM University from 2023.

Bhivarabai Sawant Institute of Technology & Research (Popularly known as BSIOTR) is one among the reputed engineering colleges, established in 2009-10 and is situated in a lush green campus at Wagholi.

The Institute is committed to the cause of developing outstanding engineering professionals through innovative teaching- learning process. The institute is approved by All India council for Technical Education (AICTE), New Delhi and DTE, Mumbai. & is affiliated to Savitribai Phule Pune University. The college is rated as one of the best colleges in Maharashtra because of excellent academic environment and placement of students. The institute offers Under Graduate courses in Electrical Engineering, Computer Engineering, Information Technology, Electronics & Telecommunication, and Mechanical Engineering and Bachelor of Computer Application (BCA). The core strength of the institute is adoption of innovative teaching tools and methods, Industry specific training programs, co-curricular and extra-curricular activities and placement assistance through dedicated Training and placement cell.

The Institute promotes Research activities to provide a platform to enhance the research attitude in students. More emphasis is given on Project Based Learning and Hands on Training for the students in collaboration with industries and training partners.

BSIOTR is accredited by NAAC with A+ grade. Three programmes, namely Electrical Engineering, E &TC and IT are accredited by National board of Accreditation (NBA).

Message from the Hon. Founder Secretary

Greetings to All Students and Parents:

I welcome all students who wish to be part of JSPM group of institutes, renowned for quality education in the field of Engineering, Pharmacy, Management, Ph.D. etc, .to shape their future career.

All institutes under JSPM implement outcome based well designed curriculum using modern teaching tools and innovative teaching methodologies. To make students industry ready, training programs in collaboration with industry and training partners are given more importance.

JSPM provides students a vibrant academic experience that adheres to stringent internationalquality standards, imbibes life skills among its students, and prepares them to not only take on competitive careers but also succeed in life as a responsible citizen.

We are committed to shape the future of students in right direction.

I wish all the success to students who have opted to grow and shape their career with JSPM's Bhivarabai Sawant Institute of Technology and Research, Wagholi, Pune.

Regards

Prof. Dr. T. J. Sawant
Founder Secretary

Prof. Dr. T. J. Sawant

Founder Secretary , JSPM Group of Institutes, Pune
(Former Minister of Public Health and Family Welfare, Government of Maharashtra)

.....from Principal's Desk

Dear Parents and Students,

Warm Greetings,

Jayawant Shikshan Prasarak Mandal's (JSPM's) Bhivarabai Sawant Institute of Technology & Research (BSIOTR), Pune, is an institution where students can learn, innovate and create large number of career options for them. The modern teaching tools, teaching methodologies, learning resources available, platforms created for students through various events are the key factors which provide an ambience conducive for a healthy learning environment for students and staff. Up skilling programs in collaboration with industries and training partners are unique best practices of the institute. Participation of the students in these activities/events has been a vital factor which has resulted into excellent placement of students in IT and Core companies. I welcome students who wish to join JSPM's –BSIOTR for shaping their dream career. I wish all the best.

Regards

Dr.T.K.Nagaraj
Principal

Dr. T. K. Nagaraj
Principal
Ph.D (Civil Engineering)

.....from Training and Placement Officer's desk

The Training and Placement cell is one of the focal point in the institute which plays a major role in Training and Placement of the students. With an increasing thrust being placed on Institute-Industry Interaction the T & P cell is committed to have close interaction and relationship with premier institutes, industries and training partners which are the essential and important assets to groom our students according to the need of the industry. We seek to open frontiers of knowledge and reveal new horizons of change, to broaden mindsets and to create positive attitudes in our students.

We encourage all Private and Public sector companies to participate in the recruitment process.We are confident that our students will play pivotal role in the growth of the respective organizations employing them. We look forward to achieve new horizons in training and placement of students in coming years.

I welcome the students to BSIOTR to pursue their dream career.

Best Regards

Prof. Amit M. Solanki
Training & Placement Officer

- Bank
- Medical facility with Ambulance

About Training & Placement Cell

The students of JSPM's BSIOTR have been recruited in several International Conglomerates along with Corporations and have proved to be a great asset to the organizations they joined. Our present graduates would assuredly maintain the same level of performance and take their recruiting organizations to new heights in their respective fields. We highly value our partnership with recruiters, alumni and supporter and remain committed to provide a productive and positive recruiting experience.

T &P Cell offer following assistance to the students with respect to activities which make them employable.

1) Industry- Institute interaction for exchange of knowledge on latest technological development.
2) Industry sponsored internships, projects & industrial visits/training.
3) Training Programmes on Soft Skill, Communication skill, Group discussion & HR interviews.
4) Company specific trainings.
5) Expert lectures/workshops/training programs by industry experts.
6) Mock Interviews by company experts.
7) Continuous interaction (liasoning) with industries by TPO for effective Industry-Institute connect.

Training & Placement Cell Policies

1. Training –

1. It is mandatory to all students from first year to final year of all branches to attend the training programs (Soft skill , Aptitude, Technical etc.) Arranged by the institute.
2. Students who are not able to give 90% attendance for the training & to attend 90% all the assessment/ tests during the training period will not be allowed for the further trainings offered by the institute and for the placement drives in final year.

3. Placement -

1. Final year students who are passing out from the Institute and are seeking employment should register for campus placements with Their respective Departments by filling all the academic and personal details in the Google form shared by T & P Cell.

2. **Students not registering for Campus Recruitment will be assumed that they are not interested in Placement & will not be allowed to appear in any Campus Drives throughout the year. Only registered students are allowed to appear in campus Recruitment process.**
3. It is the responsibility of the student to check Announcements/Notices/ updated information/ shortlisted names etc. displayed on the notice boards of Placement Office/Department Notice Boards, Whatsapp Groups. **Students are expected to be on time as per the announcements.**
4. **All the boys & girls students should wear college uniform & I -Card during placement drives.**

Training & Placement Cell Policies

5. Students should carry a Folder comprising of –

a) Multiple copies of Resume duly signed by the student.

b) Passport size colored Photographs (In College Uniform with Blazer)

c) Photocopy of all the Certificates (10th, 12th, Graduation Mark sheets and certificates etc.) College ID card.

6. In case, a student decides not to join where he/she got selected, he/she should inform the company in writing with reasons at earliest And also required to submit a copy of that letter / mail to the Placement Office.

7. Offers received from companies must be collected by students from T & P Department / Company. The responsibility Of going through the offer letter and taking further actions such as signing and accepting and sending it back to the Company lies entirely on the student. In case offers are received directly by the student from the company, the copy of the same must be submitted to the Placement Office immediately.

Placement Record of the Institute

Placements of the students through rigorous training is the main objective of the institute to achieve 100% placements….

OUTSTANDING PLACEMENTS TILL DATE AND MANY MORE TO COME….

Year	Total Students	Offers
2024-25	322	202 (ongoing)
2023-24	317	236
2022-23	393	238
2021-22	489	416
2020-21	601	438

Academic Year	Highest Package	Name of Company
2021-22	40 LPA	GOJEK TECH
2022-23	12.5 LPA	FUTURENSE
2023-24	10 LPA	RINEX TECHNOLOGIES

Our Pride 2021-22 batch

The journey till here was not a straight line it had many ups and down in it. But the key thing to achieve goal is be consistent and keep the hardwork grinding one day everything will be worth. My suggestion for everyone will be just stick to the basic knowledge and have, CS fundamentals clear and have a strong hold on Data structure and algorithms... You should not get disappointed by failures in the interviews you should learn through the failures and work hard to make the further interviews successful.

I am thankfull to my parents, teachers, training and placement cell, and all my friends for their consistent support and guidance in this journey.
