Subject : Request to sanction **50 % Reimbursement towards e-learning** of Re-Skill Certification Courses of Swayam-NPTEL MOOC by Engineering Faculties.

Respected Sir,

It is necessary for all engineering faculties to upgrade themselves by doing different online Re-skill courses, initiated and developed jointly by **Swayam-NPTEL**.

Swayam-NPTEL is online platform created jointly by Ministry of Education, Govt. of India and 7 IITs and IISC, Bangalore under the guidance of UGC & AICTE. There are different domains of courses such as core subjects / soft skills / management / leadership / NBA oriented. All the courses offered are free of cost in both the semesters, however to get certification, candidates have to appear for examination, for which exam fees are applicable. The exam fee per candidate is Rs.1,000 for open and 500 for SC/ST candidate. (in addition to it, FDP certificate can be received at Rs.100).

As per the guidelines and instructions from ARQAC, engineering & polytechnic faculties are being motivated to do Swayam-NPTEL online Re-Skill courses in every semester with certification to upgrade their knowledge and skill.

We hereby request you to sanction 50 % reimbursement of total exam fee paid by faculties. The said sanction will be ongoing for each semester starting from AY 2022-23. The 50 % reimbursement will be given to the faculty only after submission of course completion certificate with passing grade.

Yours faithfully
